Dear Ms. Guelzow:

As a university director, I would like to express my support for the NOPE Task Force. The University of Central Florida has partnered with NOPE since 2006 holding presentations and was proud to hold the first NOPE candle light vigil in 2007.

This project is important to the university because it brings awareness and support to the issue of drug abuse.

I am grateful for the opportunity to work with the NOPE Task Force on this campus. Their presentations are impactful and I look forward to continuing to build our relationship.

Sincerely,
